NON-EMERGENCY MEDICAL TRANSPORTATION

Don't miss another doctor's appointment or social event.

Are you no longer able to drive or are you experiencing challenges that make driving difficult? Is it causing you to miss important medical appointments or social events, such as weddings and reunions? Does your lack of transportation make it difficult for you to pick up medications and shop for necessities?

Pillar Human Transport Services is here to get you there

NOT AN AMBULANCE SERVICE

CALL TODAY 717-826-9339 OR

pillarhumanservices@gmail.com to schedule an appointment

Door-through-door service.

We don't just pick you up. We escort you from your home and safely secure you in the vehicle. We don't just drop you off; we escort you from vehicle to your appointment or event. We stay while you are checked in and make sure you are settled in comfortably. We can either stay until it's time to leave or return at a scheduled time to take you home.

Safe, dependable drivers.

You can trust our friendly, experienced drivers to transport you to your destination safely. Our drivers are:

- Carefully screened for safety and experience, including criminal background and DMV driving history checks
- CPR and first aid certified.

Comfortable, reliable vehicles.

Ride in comfort and confidence. Our vehicles undergo regular maintenance and are ADA-approved for wheelchairs.

Affordable.

Our services are covered by Medicaid, Medicaid waivers, workers' compensation, and Veterans Administration benefits. We also accept private pay.
